“From Nutraceuticals to Pharmaceuticals – Common Challenges and Approaches”

27 - 29 SEPTEMBER 2017, AECC, ABERDEEN, SCOTLAND

Breaking News!!!

Thanks to generous sponsorship from Opportunity North East (ONE) Life Sciences there will be a Life Sciences Pavilion for companies to showcase their activities

This joint conference brings together a **global audience** to listen to invited speakers from both **academia and industry** in the areas of Nutraceuticals and Pharmaceuticals derived from Natural Products. In addition to three days of keynote lectures, free oral communications and poster presentations, the programme includes:

- Dedicated industry sessions, including speakers from **Pierre Fabré**, **Nestlé** and **Neem Biotech**
- Interactive lunchtime workshops focusing on key challenges facing the natural product drug discovery and nutraceutical industries, including:
 - **Biotechnology/upscaling of production**
 - **Regulation & Health Claims**
 - **Creating Natural Product Databases**
 - **Sustainability & Social Responsibility of exploiting natural resources**
- Opportunity to contribute to discussions on development of:
 - **IUPHAR recommendations for testing natural products**
 - **Internationally accepted protocols for worldwide screening**

Take part as an industrial participant, sponsor or exhibitor!

Industrial participants are offered the opportunity to take up one of the following options:

- **Attend** as a registered delegate and give an oral presentation – day rates are available ([register here](#))
