## SIF, THE ITALIAN SOCIETY OF PHARMACOLOGY

The Italian Society of Pharmacology was founded in 1939. In 1996 it was recognized as a non-profit scientific association by the Ministry of the University, Scientific and Technological Research. It is a member of IUPHAR (International Union of Basic and Clinical Pharmacology), EPHAR (Federation of the European Pharmacological Societies) and EACPT (European Association of Clinical Pharmacology and Therapeutics). It is also member of FISM (Federazione delle Società Medico-Scientifiche Italiane) and FISV (Federazione Italiana Scienze della Vita). The present membership consists of 344 junior members, 1156 ordinary members, 58 senior members, 8 honorary members and 24 supporting members. The Society has a permanent office in Milan and is managed by a President, a President Elect and a Steering Committee of 8 members. The Society includes a Section of Clinical Pharmacology, which is managed by a Coordinator and a Steering Committee reporting to the President and a Young Members Group Committee managed by a Coordinator.

From 2021 the Society holds a National Meeting every year. In 2021, the congress will be organized in Milan, on February 2-6.

It also organizes:

- in May, the Summer School in Clinical Pharmacology for Postgraduate Students and the Forum Pharma in Stresa;
- a meeting in Rome “The role of pharmacology in the biomedical research and drug innovation”;
- a course for SIF young members “Technology transfer for pharmacologists” during the Biotech Week;
- “SIF meets the pharmaceutical companies”
