

CALL FOR PAPERS

Pharmadvances, the e-journal of the Italian Society of Pharmacology - SIF

The official journal of the **Italian Society of Pharmacology (SIF)** published by **Edra**, with its **Editor in Chief Luca Pani** and with the **Executive Editor Francesco Visioli**, has started its Call for Papers moving towards the new articles for **Pharmadvances**.

From its first launch, the journal has worked hard to guarantee itself a high level, challenging the new scientific frontiers. This is why during the 2020, it dedicated most of its issues to the hot topic of Medical Devices made of substances, mental diseases and the role of Medical Societies during the COVID-19 epidemic-experience, searching for new horizons and opportunities ([learn more at: www.pharmadvances.it](http://www.pharmadvances.it)).

The journal accepts **Research Articles, Opinion Papers, Reviews** and **Posters** (Post-it in Pharmacology). All papers will be subjected to the normal peer review by an international forum of independent experts.
